

BoF Professional

BoF Professional is an essential daily resource for fashion creatives, executives and entrepreneurs all over the world and is **now available to you and all employees.**

Through BoF Professional, we aim to provide our members with in-depth analysis and actionable insights for navigating the rapidly-changing global fashion industry.

- Imran Amed, founder of The Business of Fashion

What's Included:

Daily Industry Insight and Analyses

BoF's award-winning journalists across the globe deliver the daily news cycle from an international perspective and cover the most important topics your organisation need to be in-the-know about.

Case Studies and How To Guides

BoF's monthly case studies breakdown the long-term strategies used by the leading companies to either grow or survive. This includes Gucci's Merchandising Success, H&M's Inventory Problem, How Dior Plugged into Digital China.

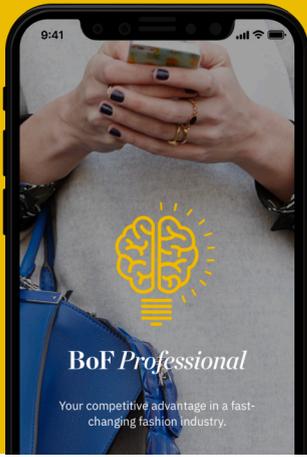

Online Courses

BoF's online learning library includes six immersive courses available on-demand. Featuring industry veterans on wide-ranging topics from buying & merchandising, to styling, to digital marketing you can learn about a new function or simply brush up your skills.

Live Conversations

BoF's live webinars are a monthly opportunity to join a live, in-depth conversation between BoF's senior editors, including Lauren Sherman, Chief Correspondent, and Imran Amed, Editor-In-Chief, as well as other notable fashion industry experts.
